BOOSTER.

UNIQUE REGENERATION

Growth factors are naturally produced when a wound in our body requires tissue reparation. Fractional lasers, microneedling and electroporation are based on this exact same process, the practitioner creates a microscopic wound that triggers natural Epidermal Growth Factor production.

Revitalize Booster is an Epidermal Growth Factor of the last generation, composed of 53 amino-acids widely present in the skin.

Indication: It promotes dermal repair increasing its self-regeneration rate.

Application: Apply to the hands, face, neck, décolletage and body.

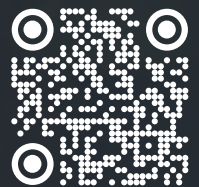

BOOSTER IS NOT INJECTABLE. ALWAYS MIX WITH PURE OR HAIR.

Contents:

- **Epidermal Growth Factor (EGF)**

Packaging: 4 ampoules, 1 ml each.

ESSENCE.

IMMEDIATE AND
LONG-LASTING RESULTS

Revitalize Essence has an optimized potential to hydrate the tissues with added cross-link technology to give much longer-lasting results. It has both high and low-density molecules perfectly balanced to give optimum hydration coupled with a robust viscosity. This combination makes it a 'hybrid' product offering clients the rejuvenating properties of a top-quality mesotherapy serum whilst physically smoothing wrinkles and skin imperfections in a similar way that dermal fillers work within the tissues.

Indication: Restores elasticity and promotes longer-lasting hydration.

Application: Apply to the hands, face, neck, décolletage and body.

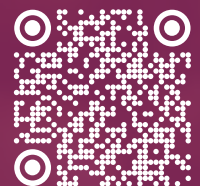

NEVER MIX WITH ANY OTHER SERUM.

Contents:

- **Sodium Hyaluronate Crosspolymer** - 52,5 mg/vial
- **Sodium Acetylated Hyaluronate** - 6,5 mg/vial
- **Hydrolyzed Sodium Hyaluronate** - 1 mg/vial
- **Sodium Hyaluronate** - 5 mg/vial

PURE.

THE EXPERT IN SKIN
IMPERFECTION

Revitalize Pure's unique formulation has the perfect balance of collagen and non-crosslinked hyaluronic acid. Revitalize Pure can be used for stretch marks, acne marks, scarring and other skin imperfections.

Collagen increases the generation of new fibers whilst repairing and reinforcing the existing ones. The hyaluronic acid increases dermal hydration around the treated area.

A repairing and restructuring treatment is now a reality.

Indication: For all skin that needs to regenerate in texture and tone.

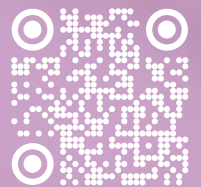

Application: Apply to the hands, face, neck, décolletage and body.

Contents:

- **Sodium Hyaluronate** - 12 mg/ml
- **Hydrolyzed Collagen** - 5%

Packaging: 5 vials, 5 ml each.

TIGHTENS SAGGING SKIN

Body and facial skin flaccidity is a direct consequence of aging and/or weight change. To maintain firm skin, without wrinkles, we must be consistent with a healthy diet and good hydration habits.

Revitalize Body's formula is composed of organic compounds, DMAE and Dexpanthenol, proven to reaffirm and restore the collagen fibers that support the skin, re-shaping them and removing the sagging effect to combat flaccidity.

Indications: Flaccidity, striae, stretch marks, post laser and post peeling.

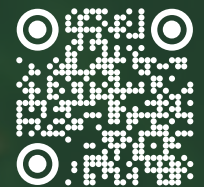

Application: Apply to the hands, face, neck, décolletage and body.

Contents:

- **Dimethylaminoethanol Tartrate** - 0,5%
- **Dexpanthenol** - 1%
- **Methylsilanol Mannuronate** - 0,05%

BRIGHT SKIN.

LIGHTENING HYPERPIGMENTATION

Superficial pigmentation can be easily removed but deeper pigmentation requires a particular procedure. Mesotherapy treatments allow practitioners to reach the lower layers of the skin where pigmentation lies. Using Revitalize Bright Skin serum in combination with specialized devices will increase the freshness and glow of the skin.

The effectiveness of whitening mesotherapy is much higher than long-term topical whitening creams.

Indications: Lighten skin tone and reduce pigmentation spots.

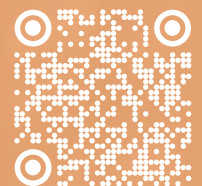

Application: Apply to the hands, face, neck, décolletage and body.

Contents:

- **Kojic Acid** - 0,9%
- **PEG-35 Castor Oil** - 0,4%
- **Glycyrrhiza Glabra Root Extract** - 0,3%

INTRO SET.

TRY ALL OF THEM

If you are curious about our products but haven't tried them yet then you need the Revitalize Intro Set, which contains 8 professional serums.

You will find 1 vial of each product in the kit so you can try and even mix between them creating tailored cocktails.

After you experience the quality of our products, you will be able to use them with more confidence.

PEN.

OUR FAVOURITE TOOL FOR TREATMENTS

Nowadays, millions of practitioners worldwide offer microneedling treatments because of their proven effectiveness and efficiency when handling common skin problems such as stretch marks, the signs of aging, wrinkles, fine lines, acne scars, hyperpigmentation and so much more.

Revitalize Derma Pen is a small but powerful cordless device used for microneedling procedures. It has an anatomical form to optimize handling and comfort during its use. It comes in a neat elegant metal case with space to carry the spare battery and any serums or needle heads required for treatments. The Revitalize Pen can be adjusted with the needle speed and the depth of administration. On the side of the Revitalize Pen we have placed different LED lights which will help practitioners to adjust the needle speed in correspondence to a color. Moreover, Revitalize Derma Pen has a rotating ring where the depth of the needle can be adjusted from 0.25 mm to 2.50 mm.

The complete set is composed of 1 Revitalize Pen, 2 rechargeable batteries, an electric cable, a power adapter, 2 needle cartridges and instructions for use. Different cartridge types are available upon request.
